

1. Unthread the bolt from the aluminum cone expanders. (FIG 1)
2. Slide the M8x80 bolt and washer you removed in step 1 through the aluminum L bracket in the side with the single hole. (FIG 2)
3. Pick an attachment hole on the bed rail that you would like to locate the Chainsaw mount. Slide in the aluminum cone expanders into the hole. (FIG 3) Press down so the top of the top expander is flush with the bed rail.
4. Using a 13mm T-handle or socket, tighten the bolt and the aluminum cone expanders will come together to expand the rubber inside the bed rail hole. Tighten until you feel the two aluminum cone expanders come together and become tight. (FIG 4)
5. Line up the chainsaw mount to the L bracket with 1 row of the 3 slotted mounting holes. By hand slide the M6x16 button head bolts along with provided washers through the chainsaw mount and L bracket. (FIG 5) Use the 6mm nylon lock nuts on the backside of both button head bolts. Tighten using a 4mm Allen wrench and 10mm wrench. (FIG 6)
6. With the chainsaw strap hanging loose of the front of the chainsaw mount, slide the chainsaw into the scabbard. (FIG 7)
7. Slide the chainsaw strap up over the chainsaw near the handle. Tighten the chainsaw strap to secure the chainsaw. (FIG 8)
8. Have fun and enjoy your next project!

WARNING AND DISCLAIMER

All parts manufactured, designed or sold by Enduro Engineering, Inc. (EEI) are to be installed by a licensed motorcycle dealer or a licensed motorcycle technician. Motorcycles can be dangerous. Serious injury, death and property damage can result from the use of motorcycles. This risk is increased by improper installation or misuse of after market parts. EEI's customers must exercise good judgement in the use, control, alteration, part selection and installation, and maintenance of their motorcycles. In the event of a possible defect in material or design, or any other defect in a part manufactured, designed or sold by EEI, the responsibility of EEI is limited to either a refund of the purchase price or the replacement of the part if EEI determines the part to be defective, and subject to EEI's inspection of the part within thirty (30) days from the date of purchase. (Note: any attempted repairs or modifications made to EEI Products will void this limited warranty.) EEI, under no circumstances will be responsible for incidental and/or consequential damages, property damage, personal injury damage, or damage, injury, cost or expense of any kind or nature whatsoever. By purchasing as EEI product or a product sold by EEI, you (1) acknowledge the above disclaimer and agree to its terms; (2) agree that any claim brought against EEI arising from and/or pertaining to or otherwise related to a part manufactured, designed or sold by EEI must be brought in the Michigan State Courts located in the County of Ingham or in the Federal District Court for the Western District of Michigan and the Michigan law shall apply on all issues; and (3) any claim against EEI must be brought within one (1) year of purchase of the product. EEI makes no other warranty, express or implied, including without limitation any warranties of merchantability and fitness for a particular purpose.
